

KOHJINSHA

SX Range

Key Features

- 8.9" Rotating touch screen*
- Wireless b/g, Bluetooth and option of 3G for complete connectivity
- DVD-RW
- Power saving features

Introduction

The new KJS SX range has a responsive 8.9" touch screen LCD*, which rotates to allow touch input with both your finger or with the stylus pen included. This Mobile Tablet PC offers the complete connectivity package with Wireless b/g, Bluetooth and the option to have embedded 3G. The flagship model features 2 Webcams and a CD/DVD-RW making this a truly portable device.

Running Windows XP or Vista Business, the SX can handle all the popular Microsoft software applications - Office, Word, Excel, Powerpoint and Outlook.

*Except model SX4-ISP
